PROFILE

Second-year Computing Science student at the University of Alberta seeking a Summer 2027 software development internship. Ready to apply C/C++, Java, and Python to practical projects, learn from a collaborative team, and strengthen software engineering skills.

EDUCATION

- BSc, Computing Science University of Alberta · 2025–2029
- **Relevant coursework (in progress):** Fundamentals of Software Engineering • Algorithms • Computer Organization and Architecture • Formal Systems and Logic • File and Database Management.

TECHNICAL SKILLS

- **Programming:** C/C++, Java, Python
- **Web:** HTML, CSS
- **Computer science fundamentals:** Problem-solving, debugging, algorithmic thinking, logical reasoning, strong mathematical skills

PROJECTS

- **Arc Card Analyzer · C**
  Matches rider tap records with route schedules to reconstruct each journey in chronological order, including ambiguous trips and missing taps.
- **DNA Stability Analyzer · Python**
  Processes and recombines DNA strands, then evaluates sequence stability and viability.
- **Fruit Sorter Game · Python**
  An interactive sorting game that puts Python fundamentals into practice.
- **Sudoku Solver · Java**
  Solves user-provided Sudoku puzzles.
- **The Flood Game · Java**
  Unify a 20 × 20 grid by expanding matching regions within 25 moves.

EXPERIENCE

Academic Tutor · University of Alberta Students' Union · Sep 2026–Present

- Tailor one-on-one explanations and examples for high school and university students, strengthening communication, patience, and the ability to break complex ideas into clear steps.

Customer Service Representative · Mahogany Beach Club, Calgary, AB · May–Aug 2026

- Resolved member questions in person, by phone, and by email; maintained accurate records and coordinated with staff to deliver reliable service.

Volunteer · Art Gallery of Mississauga, Mississauga, ON · Mar 2023–Jun 2023

- Welcomed and guided visitors, answered questions, and collaborated with gallery staff to organize workshops and events, building communication, teamwork, and adaptability.

HONORS & AWARDS

- **Honour Society Lifetime Member for Outstanding Achievement** Western Canada High School, Calgary, AB · 2023–2025
- **Maple Leaf First-Year Excellence Scholarship** University of Alberta · 2025
- **International Admission Scholarship** University of Alberta · 2025
- **Regional Excellence Scholarship** University of Alberta · 2025

CERTIFICATIONS & ADDITIONAL

- **Google:** Foundations of Digital Marketing and E-commerce
- **Google:** Attract and Engage Customers in Digital Marketing
- Intermediate First Aid CPR C & AED Certification
- **Languages:** English, Russian, Ukrainian
- **Soft skills:** Teamwork, communication, organization, time management, dependability, ability to work independently, willingness to learn
- **Hobbies:** Photography, video editing, sculpting, volleyball, snowboarding, crocheting
